President's Message

It is my honor to present the new CIO website which I hope it meets your expectation and overall acceptance. This new website is distinct in its style. It helps the user reach the information sought in the easiest way. This comes from our firm belief of the vital importance of the use and exchange of information. To establish a true partnership between CIO and its customers, we have devised this new method of communication [More](#)

Live Chat

Director's of CICO will be available for online chatting with general public soon.
