Changes to Alberta's personal income tax system as of October 1, 2015

On June 18, 2015, the government introduced changes to corporate and personal income taxes. The [Act to Restore Fairness in Public Revenue, 2015](#), received Royal Assent on June 29, 2015.

The corporate income tax rate was increased by two percentage points, effective July 1, 2015, and a more progressive, multi-rate personal income tax system came into effect October 1, 2015. [Read the news release](#) or [watch the news conference](#).
