Registration to participate in the Bidding – Exploratory Blocks

The table below comprises the results of the assessment conducted by the ANP Bidding Rounds Promotion Superintendence and by the Special Bidding Round Committee (CEL) as per the registration requests submitted by business companies interested in participating in the 13th Bidding Round – Exploratory Blocks.

The registration requests were reviewed by CEL in the meetings held on August 20th, 24th and 28th, 2015.

In its 6th meeting, held on October 5th, 2015, CEL decided to disqualify the bidder TSL – Engenharia, Manutenção e Preservação Ambiental, by means of judicial objection petition under section 1.5 of the final tender protocol of the 13th Bidding Round, combined with Article 44, item I of Resolution 18/2015 from ANP.

Business companies whose registration requests were approved by CEL had met all the requirements of section 4 of the notice and are able to participate in the bidding.

To bid on the public offerings session, the bidders shall submit to ANP the Bid Bonds in the form, in the amount and within the period as stipulated in section 5 of the final tender protocol (until September 23rd, 2015).

As per section 12 of the final tender protocol, from the mandatory acts of CEL in regard to the registration it shall bind administrative appeal, to be received only by returnable effect, within 5 (five) business days from the contested act of the date of publication in the Federal Official Gazette (DOU).
