

2013 2014 **2015**

Explore data /

Federal Revenue by Company

Explore revenues on federal lands and waters in 2015 by commodity, revenue type, and company.

This data comes from the Department of the Interior's Office of Natural Resources Revenue and is calendar year data.

Choose a commodity or revenue type to filter the list of revenues. To search for a specific company, start typing the name of the company.
