User Information

This data repository contains **data on mining licenses and payments** as managed by the Ministry of Lands, Mines and Energy (MLME) using the MCAS IT system. Visit the **MLME website** for information on the application forms and guidelines.

This system is developed by the Revenue Development Foundation, supported by GIZ and the Government of Australia.

Welcome to the MLME Online Data Repository

This portal was officially launched by Hon. Minister Sendolo on the 15th of December 2015.
All data is published directly from the MLME MCAS system.
