ST1: A list of well licences issued each day. Seven days (one week) of files are available in ASCII format from the first table below. The files are posted to the server automatically and each issue overwrites the file from the corresponding day of the previous week. Follow the links in the first table below to get to the seven most recent daily files. Previous issues can be accessed from the monthly tables that follow or the archive to the right.

Disclaimer: The information released in the Well Licences Issued - Daily List is preliminary only and may be subject to change. NOTE: Saturday and Sunday reports are produced occasionally.
