**Union government urged to adopt political prisoner definition**

Pyithu Hluttaw representative U Pe Than called on the Union government to define exactly what the term 'political prisoner' means on June 2, 2016, stressing the need to make those imprisoned for their political activities separate from inmates held for committing crimes. It is required that we define the term 'political prisoner' and publicise charges relating to political activity since we are a democratic government, U Pe Than of Myebon Township Constituency told Pyithu
