Energy

- Brief Introduction
- 9-1 Total Production of Energy and Its Composition
- 9-2 Total Consumption of Energy and Its Composition
- 9-3 Overall Energy Balance Sheet
- 9-4 Petroleum Balance Sheet
- 9-5 Coal Balance Sheet
- 9-6 Electricity Balance Sheet
- 9-7 Elasticity Ratio of Energy Production
- 9-8 Elasticity Ratio of Energy Consumption
- 9-9 Consumption of Energy by Sector (2012)
- 9-10 Efficiency of Energy Conversion
- 9-11 Average Daily Energy Consumption by Type of Energy
- 9-12 Average Annual Energy Consumption

I. Main Contents

Data in this chapter
elasticity ratio of energy pro
sheets by different types of
efficiency of energy pro
non-production uses. Since
installed power-generating c

II. The Scope of Data

The scope of data in thi

III. Sources of Data

Data in Table 9-1 are ca
Tables 9-14 and 9-15 come
other tables in this chapter a

IV. Notes on Coverage

- (1) The data on produ
output of energy products.
- (2) The elasticity ratio c
