Oil and Gas Authority homepage (<https://www.gov.uk/government/organisations/oil-and-gas-authority>)

About us

What we do

We work with government and industry to make sure that the UK gets the maximum economic benefit from its oil and gas reserves.

Our responsibilities

We're responsible for regulating offshore and onshore oil and gas operations in the UK. This includes:

- oil and gas licensing
- oil and gas exploration and production
- oil and gas fields and wells
- oil and gas infrastructure
- carbon storage licensing
