| Caserones                                                           | Miles TM | -       | 16.2    | 44.6    | 74.9    |  |
| Sierra Gorda                                                        | Miles TM | -       | -       | 12.7    | 87.9    |  |
| Otros                                                               | Miles TM | 381.1   | 378.4   | 345.6   | 330.8   |  |
| Total Chile                                                         | Miles TM | 5,433.9 | 5,776.0 | 5,749.6 | 5,764.0 |  |

**Notas:**

(1) Datos de Chuquicamata entre 2007 y 2009 incluyen sulfuros de Radomiro Tomic, que a partir de 2010 se incluyen la nueva Radomiro Tomic Division.

(2) Desde noviembre del año 2007 Radomiro Tomic comenzó la producción de sulfuros que fueron procesados por Chuquicamata y Chuquibambilla. Antes de 2007 corresponde sólo a óxidos. A partir del año 2010 Radomiro Tomic contabiliza la producción de óxidos y sulfuros. / Before 2007 this facility began producing sulfides that were processed at Chuquicamata and reported as Chuquicamata production. From 2010 the later started reporting its own copper oxide and sulfide production.

(3) Hasta el año 2004 corresponde a producción de Disputada y 2005-2006 a Sur Andes. / Until 2004 corresponds to production of Disputada and 2005-2006 to Sur Andes.

(4) Hasta el año 2006 corresponde a producción de Mantos Blancos. / Until 2006 corresponds to Mantos Blancos production.
