BOARD OF DIRECTORS

"Debswana is not only an asset but an icon for Botswana and indeed for the entire diamond industry. It is a great reminder to the world of how the diamonds in this country make it an outstanding and unique success story which we all stand proud by, and whose evidence is dear to the world." - Former Deputy Chairman and Current Minister of Presidential Affairs and Public Administration, Eric Molale

Debswana is owned in equal proportions by the Government of the Republic of Botswana and Delibes Holdings Limited and each Shareholder appoints six nominees to the Board, whose membership also includes the Managing Director.
