News [Emerald infill assays confirm gold at Okvau](#) 19 October 2016  [The Phnom Penh Post](#)<https://opendevelopmentcambodia.net/?s=gold>

Australian mining company Emerald Resources has found “encouraging” results from a round of infill drilling at its Okvau gold project in Mondulakiri province, the company said in a filing to the ASX yesterday.

...

### News [Jarai say no to Ratanakiri gold mine](#)

🕒 10 October 2016 🌐 [Khmer Times](#)

An insurrection led by ethnic Jarai villagers against the Kingdom’s first commercial underground gold mine, to be operated by Indian-owned Mesco Gold (Cambodia), looms over the green, serene remote hamlet of Plung, a few kilometers from the Vietnamese border, in ...

[Mekong](#) [Cambodia](#) [Laos](#) [Myanmar](#) [Thailand](#) [Vietnam](#)

Kep province’s Knai Bang Chatt hotel is the first in Cambodia to receive the gold certification in the international Green Growth 2050 initiative after it was accredited by industry experts. In August, an Australian team of experts conducted an independent audit ...

### News [First mine licensed to draw gold](#)

🕒 14 September 2016 🌐 [The Phnom Penh Post](#)

In a milestone for Cambodia’s nascent mining industry, the government has issued the first commercial mining licence to Mesco Gold, giving the Indian mining firm a green light to extract and process ore at its gold project in Ratanakiri province, ...

### News [Angkor Gold hits the jackpot](#)

🕒 17 August 2016 🌐 [Khmer Times](#)

Angkor Gold Corp., a Canada-based mineral exploration company with operations in Cambodia, has completed its exploration and analysis of ground samples at its Koan Nheak site in Mondulakiri province. Around 31.8 grams per ton (g/t) of gold were found in ...

### News [Mesco closes in on gold licence](#)

🕒 9 August 2016 🌐 [The Phnom Penh Post](#)

After an unexpectedly lengthy review, the Ministry of Environment has approved the environmental and social impact study of Indian mining firm Mesco Gold, clearing the last major hurdle for the company to receive a licence to operate the Kingdom’s first ...

### News [Emerald’s gold search heads to fresh territory](#)

🕒 1 August 2016 🌐 [The Phnom Penh Post](#)

Australian mining firm Emerald Resources is preparing to commence first-pass test drilling on its O’Rman prospect in northeastern Cambodia, where soil assays from auger samples have indicated the presence of gold mineralisation, the company said in its latest quarterly report. ...

### News [Local gold sales spike following Brexit vote](#)

🕒 27 June 2016 🌐 [The Phnom Penh Post](#)

Local shops dealing in gold reported a surge in activity following the United Kingdom’s vote on Friday to leave the European Union – a decision that pushed international gold prices up sharply as worried investors sought a safe-haven asset. ...

### News [Gold mine license suspended again](#)

🕒 22 June 2016 🌐 [Khmer Times](#)

A Vietnamese-owned gold mine in Battambang province’s Phnom Prek district failed to acquire an operating license from the Ministry of Mines and Energy yesterday after failing to meet their guidelines, according to officials. ...

News **Former Goldman Prize winner on bridging business-environmentalist divide**🕒 17 June 2016 🌐 [VOA](#)

Tuy Sereivathana sits at his desk transfixed by the glow of his computer screen. On the walls of the environmentalist's modest office are hung pictures of rare species of plants and animals found in the Cardamom Mountains, one of Cambodia's ...

News **JOGMEC to explore for gold in Ratanakkiri**🕒 15 June 2016 🌐 [The Phnom Penh Post](#)

Canadian mining firm Angkor Gold has entered into a joint exploration agreement with Japan Oil, Gas and
