Copyright and Permission to Reproduce

Information on this website was produced and/or compiled by the Alberta Energy Regulator (AER) for the purpose of providing direct access to information about the programs and services offered by the AER.

Noncommercial or Educational Reproduction

Information on this site has been posted with the intent that it be readily available for personal and public noncommercial (educational) use. The information may be reproduced, in whole or in part and by any means, without charge or further permission from the AER. We ask only that

- users exercise due diligence to ensure the accuracy of the materials reproduced;
- the AER be identified as the source of the materials; and
- the reproduction not be presented as an official version of the AER material, or as having been made in affiliation with or with the endorsement of the AER.

Commercial Reproduction

Reproduction of multiple copies of materials on this site, in whole or in part, for the purposes of commercial redistribution is prohibited except with prior written permission from the AER. To obtain permission to reproduce materials on this site for commercial purposes please contact

Disclaimer and Limitation of Liability

The Alberta Energy Regulator maintains this website to enhance public access to information about the AER's publications, operating programs, and activities. Our goal is to keep the information on this website timely and accurate; however, the AER does not warrant or represent that the information on this site is entirely accurate. Any user intending to rely upon AER information obtained from this site is advised to confirm both the information's accuracy and currency.

Unless otherwise indicated, the information is general in nature only and is not intended to address the specific circumstances of any individual. In particular, the information on the AER's website is not professional or legal advice and should not be taken as a substitute for such advice. Individuals in need of specific legal or professional advice should consult a qualified professional.

Some information on the AER's website has been provided by third parties to the AER, and in some cases the information on the website is only an excerpt or summary, or is otherwise derived from the information originally provided to the AER. The AER is not responsible or liable for the content or accuracy of third-party information or any AER material derived from third-party information.

The AER's website might contain links to other Internet sites. The AER is not responsible for the content of the material on external sites, nor is it liable to the user for any consequences resulting from the user linking or attempting to link to external sites.
