- Donors should not expect to deliver their donations personally to the patients due to privacy and safety of our patients.
- Items that are not added to the library collection may be put on the free cart. Families are allowed to take one free item per member from the free cart and keep it. Other items may be distributed to waiting rooms or passed out to patients in their rooms.
- All donated materials become the property of the Edward A. Block Family Library and are added to the collection, given away or otherwise discarded as the library chooses.

- A wish list is available at <http://smile.amazon.com/registry/wishlist/VFNG6F2R20B0>
- All checks or gift certificates should be made payable to Riley Hospital for Children at Indiana University Health with a memo stating it is for the use of the Edward A. Block Family Library.
- A gift of \$10,000 or more, will establish a fund in your name or in the name of a child, caregiver or friend you wish to honor. Your donation is made available immediately to the Library, who may choose to use the funds all at once, or over time.
- A gift of \$100,000 or more can be used to establish an endowment, which becomes an asset held in perpetuity by Riley Children's Foundation. An endowment fund is different from a current use fund in that your gift is not immediately disbursed. Interest generated from your investment creates a steady stream of funding for the Library. The Edward A. Block Family Library must be designated as the program you wish to fund.
