About your **AVIATOR CLASSIC** headphones

AVIATOR CLASSIC'S embodies the power of gamers in a headphone with studio quality sound, superior noise cancelation, multi platform capabilities, surround sound, personalized comfort and your own sense of style.

Features:

- Over-ear headphone
- Virtual 7.1 channel surround sound
- Flexible, detachable noise cancelling microphone
- Adjustable head beam and detachable ear pads
- Gold connectors, sleeved cables and USB adapter
- Multi-platform support for PC, Playstation, Xbox and mobile
- Large 50mm drivers for fullersound reproduction

Installing AVIATOR CLASSIC headphones

1. Power on your PC.

2. Connect the USB cable to your PC.

3. Check your audio settings to ensure usb audio is enabled.

Installing AVIATOR CLASSIC headphones

1. Connect the 3.5 mm cable to your gaming console audio jack.

2. Connect the USB cable to your gaming console.

AVIATOR CLASSIC

Microphone

The noise canceling microphone can be removed, just pull it gently and it will detached from the headset.

The noise canceling microphone allows you to make crystal clear calls, live streams or gaming chats through any device.

AVIATOR CLASSIC

Remote

The 7.1 surround sound controller allows you to control the volume and mute the headset or microphone. Simply click on the specific button once on the remote for the specific action you require.

Installing AVIATOR CLASSIC Cables

The braded cords are completely detachable so you can decide which device you prefer to use.

a) 3.5 mm cable: to be used with any device with a 3.5 mm jack.

b) Usb cable: to be used with any device with a USB enabled audio.

b) Y-cable: to be used with any device with a audio/mic input.

AVIATOR CLASSIC

Adjustable head beam

Simple pull down the the ear muffs to the desired height (from both sides) and adjust until it fits comfortably.

LIMITED PRODUCT WARRANTY ("Limited Warranty")

Limited Warranty. RIOTORO warrants the Product to be free from defects in materials and workmanship when used normally in accordance with the official documentation for the applicable Warranty Period from the date of retail purchase.

Exclusions and Limitations. This Limited Warranty does not cover:

- Software, including (without limitation) software added to the RIOTORO-branded hardware products or third-party software.

- Non-RIOTORO branded products and accessories, even if packaged and sold with the Product.

- Problems with and/or damage to the Product caused by using accessories, parts, or components not made by RIOTORO;

- Damage caused by service (including upgrades and expansions) performed by anyone who is not officially acting as an employee, representative or sub-contractor of RIOTORO.

- Claims arising from any unacceptable use or care of the Product.

- Claims arising from external causes, including (without limitation), accidents, acts of God, liquid contact, fire or earthquake.

- Products with a serial number or date stamp that has been altered, obliterated or removed.

- Cosmetic damage, minor cosmetic abnormalities (including minor pixel abnormalities) and normal wear and tear, including (without limitation) scratches, dents and chips.

For the latest and current terms of the Limited Product Warranty, please visit www.riotoro.com/warranty.
