#### Sainte Genevieve

11/18/2021: 8 a.m. - 1:30 p.m., Ste Genevieve High School, 715 Washington

### **Save time during donation**

Donors can also save up to 15 minutes at the blood drive by completing a RapidPass®. With RapidPass®, donors complete the pre-donation reading and health history questionnaire online,

on the day of donation, from a mobile device or computer. To complete a RapidPass®, follow the instructions at [RedCrossBlood.org/RapidPass](https://RedCrossBlood.org/RapidPass) or use the [Red Cross Blood Donor App](#). To donate blood, individuals need to bring a blood donor card or driver's license or two other forms of identification that are required at check-in. Individuals who are 17 years of age in most states (16 with parental consent where allowed by state law), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also must meet certain height and weight requirements.

### **Health insights for donors**

At a time when health information has never been more important, the Red Cross is screening all blood, platelet and plasma donations from self-identified African American donors for the sickle cell trait. This additional screening will provide Black donors with an additional health insight and help the Red Cross identify compatible blood types more quickly to help patients with sickle cell disease who require trait-negative blood. Blood transfusion is an essential treatment for those with sickle cell disease, and blood donations from individuals of the same race, ethnicity and blood type have a unique ability to help patients fighting sickle cell disease.

Donors can expect to receive sickle cell trait screening results, if applicable, within one to two weeks through the Red Cross Blood Donor App and the online donor portal at [RedCrossBlood.org](https://RedCrossBlood.org).

### **About the American Red Cross**

The American Red Cross shelters, feeds and provides comfort to victims of disasters; supplies about 40% of the nation's blood; teaches skills that save lives; distributes international humanitarian aid; and supports veterans, military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to deliver its mission. For more information, please visit [redcross.org](https://redcross.org) or [cruzrojaamericana.org](https://cruzrojaamericana.org), or visit us on Twitter at [@RedCross](https://twitter.com/RedCross).
