Verse:

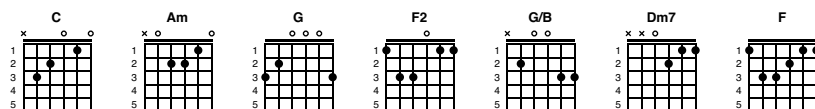

In the glory of your presence
I find rest for my soul
In the depths of your love
I find peace makes me whole

Chorus:

I love, I love, I love your presence
I love, I love, I love your presence
I love, I love, I love you Jesus
I love, I love, I love your presence

Bridge:

If you want it come and get it, for crying out loud
The love that He has given you was never in doubt
Let go of your heart, let go of your head, and feel it now
Let go of your heart, let go of your head, and feel it now
