// // // // // // //

verse 1:

In the process, in the waiting, You're making melodies over me
And Your presence is the promise, for I am a pilgrim on a jour-ney

chorus:

You will lift my head above the mighty waves
You are able to keep me from stumbling
And in my weakness You are the strength that rises from within
Good Shepherd of my soul, take my hand and lead me on

verse 2:

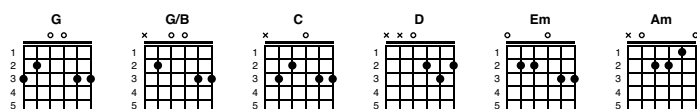

You make my footsteps and my path secure
So walking on water is just the beginning
Cause my faith to arise, stand at attention
For You are calling me to greater things (> chorus)

bridge:

Oh how I love You, how I love You, You have not forsaken me
Oh how I love You, how I love You, with You is where I want to be

ending (2x):

You never leave me, No! You never leave me, No!
You never leave me, No! (In every season of the soul.)
