

Undone by FHH (Key: C#m)

(for original key of D#m: Capo 2)

C#m7 A E

1) Open up wide, swallow down deep

B

No spoon full of sugar could make it sweet

C#m7 A E

The cancer inside stealing my sleep

B

Night after night it keeps haunting me

C#m7 A E

The secrets I keep are tearing me up inside

B F#m7

I try to hide and then I wonder why

G#7

I wonder why I'm still running when I know there's no escaping

C#m7 A E

(chorus) Come undone, surrender is stronger

B

I don't need to be the hero tonight

C#m7 A E

We all want love we all want honor

B C#m7 A E B

Nobody wants to pay the asking price

C#m7 A E

2) Fall on my knees, fall on my pride

B

I'm tripping over all the times I've lied

C#m7 A E

I'm asking please but I can see in your eyes

B

You don't need tears for alibis

C#m7 A E

It's true what they say, love must be blind

B F#m7

It's why You're still standing by this sinner's side

G#7

You're still by my side

when all the things I've done have left you bleeding (to chorus)

A2 B C#m7 E/B A B

(bridge) I don't think I can drive it home tonight

C#m7 E/B A B C#m7 G#m A B C#m7 G#7

I don't think I wanna be alone tonight (to chorus)
