FOR IMMEDIATE RELEASE

### **Illinois Central College Invites Prospective Students and Families to Campus Visit Days**

East Peoria, IL (01/27/2026) — Illinois Central College (ICC) invites prospective students and their families to step onto campus and explore what college life can look like during a series of Campus Visit Days this spring.

Designed to help students make confident, informed decisions about their future, Campus Visit Days offer guided tours, conversations with faculty and current students, and an inside look at the programs and support services that set ICC apart. Visitors can explore fast-track certificate programs, two-year associate degrees, and transfer pathways to four-year colleges and universities, all in one place.

“Campus Visit Days give students the chance to picture themselves here,” said Susan Bressner, Director of Admissions. “From hands-on learning spaces to one-on-one conversations with faculty, these events help students see how ICC can support their goals, whether they want to start a career quickly or continue on to a bachelor’s degree.”

### **Program Exploration Visit Days**

Students can explore programs in Arts & Communications, Business & Finance, Education & Training, Human Services, Information Technology, Law & Public Services, and STEM fields.
