**SAINT FRANCIS**  
UNIVERSITY become that someone

After hearing Dolly speak about the benefits of the program at a national legislative conference, State Representative Frank Burns (Dist. 72, Cambria County), secured a grant to offer the program in Cambria County with Saint Francis University serving as the local partnering organization. The program will be implemented by SFU's Dorothy Day Outreach Center and the Graduate Education Department as part of their mission to support families and promote children's literacy.
