Re: Professional Counselor Supervisor Approval

Please allow this memorandum to serve as notification that you have been approved by the Missouri Committee for Professional Counselors as a licensure supervisor for counselors-in-training and provisionally licensed professional counselors in the State of Missouri. The approval is based upon compliance with the rule 20 CSR 2095-2.021 Supervisors and Supervisory Responsibilities.

Once you are approved as a licensure supervisor, you will not have to submit the documentation again. Please keep a copy of this memorandum readily available in the event you are asked to verify that you are an approved licensure supervisor for professional counseling.

Thank you for submitting the documentation and agreeing to supervise an applicant for licensure.
