A faculty advisor will be assigned upon your confirmation.
- (2) Contact your faculty advisor (or, if it is over the summer, the Department Chair or Graduate Coordinator) to develop a Plan of Study and select courses for registration. When developing your plan, please keep in mind that your graduate degree program of study must be completed within the time frame outlined in the Graduate Catalog, or by your department. All new graduate students are required to supply an Advisor Release Number (ARN) when registering for the first time online; you will receive your ARN during your initial advising session. - (3) Provide proof of immunization for mumps, measles, and rubella (MMR) and submit the meningitis information response form to the Student Health Center. For more information and to download the appropriate forms, please visit the Student Health Center's website at: <http://www.newpaltz.edu/healthcenter/privacy.html>.
