

OFFICE OF THE PRESIDENT

September 11, 2018

To Whom It May Concern:

I am pleased to write this letter of recommendation and reference for Christian Gaston. I have had the pleasure of knowing Christian during his time as a student here at Trine University. During that time, it has been a joy and privilege to observe his growth and development in becoming the fine young man that he is today. He has performed well in his studies and is active on campus, working as a resident assistant, serving as a student ambassador, an international student orientation leader, a member of the multi-cultural student organization, and a former representative of student government.

Christian possesses an outgoing and friendly personality. He is optimistic and cheerful and will succeed in providing exceptional customer service and excellence in whatever field he chooses to pursue. He would be a valued member of your organization. As his December graduation date nears, we will miss Christian as a student here at Trine University, but we look forward to calling him an alumnus and support and encourage him in his new career.

I recommend Christian for your consideration and employment without hesitation or reservation. Thank you for your consideration. Please feel free to contact me if I can be of further assistance.

Sincerely,

A handwritten signature in blue ink that reads "Earl D. Brooks II".

Earl D. Brooks II, Ph.D.
