The screenshot shows the Wisconsin Lutheran College website. At the top, a green banner contains the text "Wisconsin Lutheran College". Below this is a large image of a brick building with a steeple, framed by trees with vibrant autumn foliage. A smaller inset image shows two people walking on a path in front of the building. Below the main image, a paragraph of text describes the college: "Wisconsin Lutheran College is an independent, residential, Christian college located on the border of Milwaukee and Wauwatosa that serves nearly 1,200 traditional undergraduate, adult, graduate students through its on-campus and online programming. The college, which prepares students for lives of Christian servant leadership, is recognized for its academic excellence and superior student experience. For more information, visit wlc.edu." At the bottom of the page, there are four navigation links: "Student Stories" (with a document icon), "Student Profiles" (with a group of people icon), "College News" (with a newspaper icon), and a search bar labeled "Search for students...". The search bar is highlighted with a red border. To the right of the search bar are social media icons for Facebook, Twitter, YouTube, and Instagram.
