Work & Global Experience

- **Nurse Intern-Orthopedics/Medical: Ascension All Saints Hospital** **June 2019-September 2019**
 - Provided direct nursing care to assigned patients and served as a role model to promote a positive work environment and quality patient care
- **Nurse Extern-Operating Room: AdvocateAurora Healthcare** **May 2019-September 2019**
 - Collaborated with the Registered Nurse to establish a plan of care based upon an analysis of health, education and developmental needs and patient/family preferences
 - Under the observation of the Registered Nurse, evaluated patient response to interventions and effectively communicated observations and patient needs to the Registered Nurse
- **HUC/CNA- ICU/Medical-Surgical/Ambulatory: AdvocateAurora Healthcare** **June 2016-Current**
 - Facilitate communication between nursing units by telephone to ensure efficiency and safety of the unit
 - Perform patient care such as vital signs and hygiene delegated by the RN to ensure patient satisfaction and better outcomes
- **Nursing Lab Assistant: Carthage College** **September 2018-Current**
 - Assist students as needed with nursing skills by providing resources and feedback for students to be successful in future practice
 - Complete inventory of nursing lab supplies by counting and recording supplies available and maintaining cleanliness
- **Pathophysiology and Pharmacology Tutor: Carthage College** **January 2019-Current**
 - Help students to develop study skills and techniques to help improve academic performance
 - Teach students and communicate concepts related to pathophysiology and pharmacology
- **Nicaragua Medical Mission** **June 2019**
 - During a Carthage College study trip, connected with native residents of all ages of Ometepe, Nicaragua in different health clinics. Services provided at the clinics included gynecologic exams, blood pressure checks, respiratory exams, wound care, shadowing doctors, and maintaining the supplies in the pharmacy
