Completion of Apprenticeship
Decorator Convention Trade Show Installer
- Art Institute of Fort Lauderdale, FL
Associate of Science Degree
Music and Video Business

STUDENT LEADERSHIP:

- Supplemental Instructor (GSU Clarkston Campus) - As a supplemental instructor I was a peer leader for English 1101 classes. I lead out of class sessions to increase student knowledge and retention of the subject matter in a group setting.
- SGA Speaker of the Senate (GSU Clarkston Campus) - This position has allowed me to use my leadership skills and real-world training to provide guidance to the senators in the performance of their duties. Additionally, I have gained valuable knowledge of campus resources that I share with the student body. As the Speaker of the Senate I was also able to be a part of the Transition process from Perimeter College and Georgia State University and was a proponent of the ONE GSU initiative to bring unity to all six campuses.

EMPLOYMENT HISTORY:

2020 – Field Experience - Benteen Elementary School – 5th Grade ELA/Social Studies with Cooperating Teacher Mrs. Anderson. 4th Grade Math and Sciences with Cooperating Teacher Mr. Smith. Placement provided experience using Fountas and Pinnell for ELA and Eureka Math based curriculum programs. Classes allowed engagement with students across various demographics and service levels including students in placements for Gifted, ESOL, IEP's and ongoing RTI's.

2019 – Field Experience - Bolton Academy – 1st Grade Dual Language Immersion with Cooperating Teacher Mrs. Bivings. Class Content includes Reading, Writing, and Social Studies on the English language side of the program. Math and the sciences are taught by Mr. Torres in Spanish. Placement Provided experience using Fundamentals, Lucy Calkins Literacy procedures for writing workshop for primary Grades.

Field Experience - Kimberly Elementary – Grade Kindergarten with Cooperating Teacher Mrs Aycok. Observing and interacting with Kindergarten in large and small groups. Creating, documenting, and implementing lesson plans based on Georgia State Standards of Excellence in reading, Writing, Science, Math and Social Studies. Class demographics were 100% African American with no placements for services in English for Speakers of Other Languages (ESOL), IEP's or RTI's present in this class.

2018 – AmeriCorps Program (TEEMS) Technology Engineering, Environment Math and Science GSU CEHD Alonzo A. Crim Center – Teachers Assistant to site supervisor Mrs. Raval (Physics) and host instructor Mrs. Grate (Biology) at Columbia High School, Dekalb County, GA. Supplementing lead teacher through assistance in large group instruction and small group activities to enhance student knowledge of the sciences. Student support includes scaffolding instruction for all levels of students in the class from advance/gifted to special needs students with IEP's in place.

2018 – Field Experience - Annistown Elementary-Grade K-5 ESOL with Mrs. Kim Catoggio. Observation in a designated English for Speakers of Other Languages (ESOL) classroom environment. The students in this class were grouped based on grade level. Class Demographics ranged extensively with a slight majority of Spanish speakers. Students came to class with no English proficiency up to including students that were almost fluent in English. Some students also have EIP's and/or RTI's in place while others had not yet been evaluated. Multiple nationalities and cultures were represented in the classroom.
