Experience

Miami University Art Museum / Education Assistant

August 2017 - May 2020, Oxford, OH

I worked at the art museum on Miami University's campus for the Education Director, Cynthia Collins. Mainly my job consisted of mostly secretary work for her, occasionally working at the front desk, and creating art projects for Art Explorers. Art Explorers is a program set up for children 3-5 years old where they came in to do arts and crafts once a month. I was in charge of coming up with the projects that the children put together and facilitating the event.

Elé Cake Co. Bistro and Wine Bar / Hostess

November 2015 - Present, Miamisburg, OH

The main job I was hired for was to be a hostess, but throughout my extended time of working there, I moved on to bussing tables, washing dishes, and working in the bakery. I was noted as one of the best workers by my manager, for which I received a raise.

Food Drive at New Jersey Presbyterian Church

2014-2015, Carlisle, OH

This is a non-perishable item food drive done for the less fortunate individuals each year at NJPC. I separated the items into boxes to be donated to the local food drive.

Mentor at New Jersey Presbyterian Church

2011-2016, Carlisle, OH

I served as a mentor to younger children who came seeking guidance and were too afraid to ask adults. I also helped with children's activities, watched toddlers in the nursery, and helped with summer bible school venues.
