Dear **Ms. Israelle Johnson:**

On behalf of the American Chemical Society's Committee on Technician Affairs, I would like to congratulate you on your being selected to receive the ACS Chemical Technology Student Award. Your award certificate is enclosed.

In recognition of your academic achievement, your name and university affiliation will be displayed during the committee's luncheon on March 18 during the ACS national meeting in New Orleans.

Also, we would like to find other ways to highlight our award winners, so we would greatly appreciate it if you would please complete the attached "future goals statement" form. You can return it to me by scanning and sending it to me at the email address above. Alternatively, you can mail it to me at the address above.

Again, congratulations and best wishes for your future career plans.

Sincerely,

A handwritten signature in black ink, appearing to read 'N. E. Huddleston', with a stylized flourish at the end.
