Experience

Shenandoah Valley Bach Festival / Intern

Spring 2019, Harrisonburg VA

Internship work included updating festival information into online calendars and databases, handling and mailing sheet music to festival participants, acting as music librarian, attending monthly board meetings, assisting with events. When my spring internship is finished, I will return for ten days in June to help facilitate the festival.

Shenandoah Valley Children's Choir / Treble Choir Intern

Spring 2019, Harrisonburg VA

The Shenandoah Valley Children's Choir is a nationally acclaimed choir with three performing choirs. Though my main work was with the Treble Choir (ages 9-14), I also worked with the Prep Choir (ages 7-11). Internship work included attending weekly rehearsals, participating in rehearsals in energetic ways, leading sections, leading warmups, leading musicianship/theory classes, and setting an example to the young choristers of being prepared and professional.
