The Ohio & Erie Canalway Coalition's Canal Cleanup program offers community members all along the Towpath Trail the opportunity to become stewards of our natural spaces, creating a healthier environment for years to come.

Each year, more than 300 volunteers participate in this program. This year, to support the health and safety of our participants and staff, all volunteers will be provided clean, sanitized supplies, as well as individually wrapped snacks to take home.

All we need is you! Visit our website at ohioeriecanal.org/events for more information and to sign up.
