RESEARCH EXPERIENCE

- 2006 MCKENDREE UNIVERSITY, Lebanon, IL. CORE Drug and Alcohol Survey
Conducted the bi-annual survey for the CORE Institute assessing the level of drug and alcohol use among McKendree students. Along with a student research team, I drew a random sample of McKendree students and completed over 400 surveys. This was the first time this survey was done using a probability sample at McKendree. By using this scientific selection method, we can be sure our results were accurate within +/- 4 percentage points.
- 9/99-9/00 UNIVERSITY OF KENTUCKY, Lexington, KY. Research
Assistant for Dr. Rick Zimmerman for an HIV prevention project funded by the National Institute of Alcoholism and Alcohol Abuse. Responsible for setting up a collaboration between the NIAAA grant project, The Louisville Youth Group, and the Indiana Youth Group. Using these gay and lesbian youth groups, an HIV intervention was implemented in the fall of 2000.
- 5/98-8/98 UNIVERSITY OF KENTUCKY, Lexington, KY. Research assistant for Dr. Rick Zimmerman. Did follow-up data collection with high school students about their risk-taking behaviors for a study sponsored by a grant from The National Institute of Alcoholism and Alcohol Abuse.
- 8/87-12/87 WESTERN KENTUCKY UNIVERSITY, Bowling Green, KY.
Worked on the Social Research Team conducting a survey for The Bowling Green-Warren County Charter Commission. Worked on all phases of the project, including questionnaire development and sample selection and data analysis.
