

## **EDUCATION:**

**Master of Architecture**, Concentration in Sustainable Design May 2018  
University of Houston, Houston, TX (GPA: **3.88** - Highest ranked graduate student)

**Bachelor of Architecture** May 2016  
Jawaharlal Nehru Architecture and Fine Arts University, Hyderabad, India

## **HONORS:**

**American Institute of Architects (AIA) Henry Adams Medal** for excellence in architecture 2018  
• Conferred with the recognition for my Master of Architecture coursework at the University of Houston.

**Honorable Mention** - ACSA Here+Now Housing Competition 2016-17  
• Awarded 'Honorable Mention' for designing a self-sustaining prototype to house victims of a natural disaster facilitating on-site rehabilitation and serving as a backup battery to support the deteriorating vernacular.

## **EXPERIENCE:**

**3D Draftsman** January 2017 – May 2018  
Facilities Planning & Construction Dept., University of Houston  
• Visualized and modelled various buildings in the 600-acre campus of the university using Revit as a tool.  
• Updated the masterplan with the integration of about 300 individual buildings to prepare 2D and 3D campus maps.  
• Allocated tasks and planned schedules to effectively complete on-going projects.

**Junior Architect - Free-Lance** May 2015 - present  
Mape Connoisseurs, Hyderabad  
• Collaborate with the design team on various projects and competitions from schematic design to presentation.  
• Render services as an environmental designer focussing on climate analysis, sustainability and 3D visualization.

**Teaching Assistant** August 2017 - December 2017  
Prof. Rives Taylor, FAIA, LEED AP, Principal at Gensler  
• Charted a smooth functioning of the Technology-5 course on sustainability, building science and materials.  
• Assisted in tutoring and evaluation of the course and co-hosted professionals for talks and seminars.

**Intern Architect** September 2015 - April 2016  
Christopher Charles Benninger Architects Pvt. Ltd., Pune  
• Conceptualized and designed floor plans, prepared working drawings, coordinated with consultants and supervised construction at Lodha Belmondo; a 100-acre residential township in Pune.  
• Developed schematic design, 3D visualization & presentation for national and international competitions.  
• Prepared material palettes and bill of quantities for renovation and master plan improvements in Pune university.

## **SKILLS:**

CAD and BIM Modelling : AutoCAD, 3DsMax, Revit (Autodesk Certified Training), Sketchup, Rhino  
Rendering and Presentation : Photoshop, Illustrator, Indesign, Premiere, Lumion, Rendering 360, VRay  
Additional Tools and Skills : Ecotect, IESVE, Ladybug, Honeybee, Digital Sketching, Hand-modelling

## **LEADERSHIP:**

**Zonal President and Unit Secretary** December 2012 - January 2015  
NASA (National Association of Students of Architecture), India  
• Served as the unit secretary and consequently held office as the Zonal President at NASA India.  
• Coordinated activities, conventions and events catering to more than 30 colleges across 4 states in India.

**Chief-Editor, Co-Designer** - Annual NASA Convention Magazine 56<sup>th</sup> edition, 2014  
• Spearheaded the core team of an international magazine distributed to over 5000 students, architects and professionals across India and SAARC nations.

## **ACTIVITIES:**

### **Study Abroad Program** – Italy, France and Spain

June 2017 - August 2017

- Documented the urban fabric and form across the Mediterranean coast through sketching and photography and consequently applied this research to design a satellite study center for the university in Rome.

### **Membership** | AIAS, ASIE, Phi Kappa Phi

December 2016 - present

- An active member of the American Institute of Architecture Students (AIAS), American Society of Indian Engineers & Architects (ASIE) and the Phi Kappa Phi Honor Society.

### **Co-Host**

REVERB - Zonal NASA Convention

October 2014

- Co-Hosted a convention for more than 1500 students, architects and professionals from over 5 states in India.
- Planned the event schedule, moderated juries, lectures and panel discussions.

### **Chief Organizer**

January 2014 - January 2015

Heritage Walks, Zonal Meets

- Organized a heritage walk in the city on the eve of World Heritage Day.
- Moderated zonal meetings, organized inter-college competitions, annual exhibitions and events in the university.

## **COMPETITIONS/ AWARDS:**

### **GRaSP Awards** - University of Houston

2017

- Won the 'People's Choice Award' at the Graduate Research and Scholarship Projects event of the University of Houston for the 'Battery House' design proposal.

### **Autodesk BIM Design, Singapore BIM Design Challenge**

2013 and 2014

- Collaborated and led multi-disciplinary teams in international BIM competitions using Revit as the primary tool for design and integration passing qualification in all stages and shortlisted in finals from India.

### **Industrial Design Trophy** - NASA India

2013-14

- Shortlisted in the Top-10 in ADA Industrial Design trophy involving the design of public use facilities catering to 2 billion people across various cities in India.

### **ANDC Trophy** - NASA India

2012, 2013

- Led the team in the Annual NASA Design competition for two consecutive years, successfully passing qualification for the annual NASA convention.
