Summary

I'm currently attending Capital University and working towards a professional career in the field of law and psychology.

Education

Grove City Christian School,
High School

Transferred - June 2016

I attended this school from preschool through my sophomore year. While there, I became very organized and gained so much structure that I will carry through the rest of my life.

Central Crossing High School, High School

Graduating - June 2018

I transferred to Central for my Junior and Senior year where I have been able to take more advanced classes and begin my college transcript.

Employment History

Wendy's

Crew Member

October 2016 - Present

I'm a very hard worker, I multitask very well, and never stop moving during my shifts. I've learned nearly every position at my location and feel confident about my skills.

Armstrong Investigations

Private Investigator

December 2017 - Present

Here I am learning some of the skills that will help me in the future at college where I will be studying Pre-Law and Psychology.

Rover

Dog Walker and Sitter

March 2018 - Present

I'm able to do what I love working as a dog sitter, I get to play with animals and keep them happy. I organize and manage my schedule very well so I stay on track and can maintain my 5-star rating.

Hobbies & Interests

I was very involved in music at my high school and I also am a member of a handbell group at a local church. I have been involved in marching band, pep band, jazz band, and concert band during my time in high school. I am also a member of National Honor Society and the National Society of High School Scholars. I really enjoy community service and ministry through my church.
