Letter of Recommendation  
Rhiannan DeMoulin

I was initially impressed with Rhiannan enthusiasm, communication skills, ability to follow instructions, house keeping and professional demeanor when I received her from CIT training three summers ago. The last three summers Rhiannan has assisted me and other YMCA employee's at the Osuna site. Rhiannan has improved her communication skill with staff and kids every year. Rhiannan has memorized all the camp songs and taught us all new ones.

Rhiannan is reliable dedicated and upbeat. Her ability to calm angry or upset children is uncanny, it is because of her excellence with children I've ask her back the last three summers. Rhiannan multitask's effectively and is able to handle cleaning, singing, playing with the kids. Rhiannan is willing to learn new tasks and try new things this makes her a true asset to our site. All the kids love her.

Rhiannan is a hardworking, and a top-performer at our site. She has my highest recommendation, and I am happy to furnish more details if you would like additional information.

Sincerely,

A handwritten signature in blue ink that reads "Ida C Mendez". The signature is fluid and cursive, with a large loop at the end of the last name.
