To Whom it May Concern:

I am pleased to recommend Mr Chleuh Zouber, who has been a student in my School for the past three years. During that time, I have come to know him as a strong student and a role model for his peers.

Zouber is a rare type of student who combines exceptional natural ability with a willingness and eagerness to learn. He is able to help his peers with difficult economical concepts, but does so in a way that is both practical and non-condescending.

Although he is aware of his natural ability in various areas, Zouber is constantly challenging himself. To conclude with, Zouber is a sports lover, that enjoys team playing as well.

Zouber would make an excellent candidate for early admissions. I recommend him without hesitation. Should you have any questions, please feel free to contact me.

Sincerely,

Kawthar Hassani Idrissi

The Principal
