EXPERIENCE

Help at Home, Valparaiso IN— *Direct Service Professional*

March 2018 - current

I provide respite care to a child with autism, typically in their home. Sometimes I take this child to therapy, or the family and I go to events. Dinner, the library, or other public places.

Mary Kay, Valparaiso IN— *Independent Beauty Consultant*

January 2018 - current

I run my own small business. I provide beauty services to women of all ages, host parties, provide facials, and sell products.

Accessabilities Inc, Merrillville IN— *Direct Service Professional*

September 2017 - February 2018

I provided respite care to children with developmental disabilities. I traveled to homes, or out into the public, to work with these children.

Fazoli's, Valparaiso IN— *Associate*

November 2015- October 2016 and January 2017 - May 2017

I worked front cash; taking orders, delivering food to tables, checking on guests, cleaning up after guests, and keeping the dining room clean.

I worked drive thru; taking cars' orders, bagging orders, getting together dining room orders, doing dishes, preparing food, and preparing breadsticks.

I worked steam; making pasta dishes as well as salads and sandwiches, making sauces, cooking needed foods, cleaning the kitchen, and preparing breadsticks.

Rue21, Valparaiso IN— *Associate*

October 2016-January 2017

I worked as a cashier, checking people out. I also organized the floor, stocked items, cleaned the store, set up new displays, moved clearance items, opened shipments, and helped in the dressing room area.

Rice and Rice Attorneys at Law, Valparaiso IN— *Office Assistant*

February 2015- December 2015

I did multiple different things such as filing, copying, putting together trust binders and seminar binders/folder, making seminar baskets, taking deposits to the bank, and transferring things between desks up and downstairs.

Southlake Martial Arts, Valparaiso IN — *Assistant Instructor*

March 2014- November 2014

I helped instruct the younger classes, as well as cleaned the room between classes, washed windows and mirrors, and helped with all the graduation tasks as well as the graduation itself.

EDUCATION

Trine University, Angola IN

August 2018- PRESENT

I study a double major of criminal justice and psychology here. I also study in Trine's honors program.

Morgan Township High School, Valparaiso IN

September 2015- May 2018

I transferred into Morgan Township a few weeks into my sophomore year, and graduated with my Academic and Technical Honors Diploma.

Valparaiso High School, Valparaiso IN

August 2014- September 2015

I started and finished freshman year at Valpo High, and began my sophomore year at VHS, but needed to transfer.

CLUBS AND SPORTS

Christian Campus House

At Trine University the Christian Campus House puts on events for students to get involved, meet each other, eat, worship God, have supportive people around, and study the Word of God.

Porter County Career Center Vocational Program

I participated both junior and senior year.

My first year at the career center I took Early Childhood Education. We studied and worked at the Special Education Learning Facility (S.E.L.F) school in Valparaiso. My second year at the career center I took Criminal Investigations. We studied at Wheeler High School in Valparaiso.

Porter County Career Center Mentor

I participated both junior and senior year.

As a PCCC Mentor I went to middle schools in the county and talked about the vocational program I was in, what we did, what you needed to do to get a spot in the classes, and encouraged eighth graders to do their best now so that they can join the class they want to later.

Morgan Township Key Club

I was the Key Club president for three years. I also participated in the Valparaiso Key Club my freshmen year.

Key Club International is a part of the Kiwanis International family of service-leadership programs. It is a student-led organization with a goal to encourage leadership through helping others.

Morgan Township Future Farmers of America

I was the FFA secretary/treasurer my junior year, and the Vice President my senior year. I participated for three years.

Future Farmers of America (FFA) is not just for students who want to be farmers, so the name of the

organization was updated in 1988 to the National FFA Organization. FFA focuses on leadership, personal growth and career success through agricultural education. FFA helps its members develop their own unique talents and explore their interests in a broad range of agricultural career pathways.

Morgan Township Fellowship of Christian Athletes

I was the FCA vice president my junior year, and the president my senior year. I participated for three years.

FCA, the Fellowship of Christian Athletes, allows athletes to grow in the faith and sport. FCA builds athletes' leadership skills while bringing together athletes through their faith and Christ. FCA members gain close friendships with each other, and take their faith back to their teams being a leading example for the power and love of Christ for their teammates.

Baseball

I was the baseball manager all four years of high school. As a baseball manager I keep the book and deliver drinks/messages from parents to the players.
