RE: Critical Care Nursing Position

Dear Hiring Team,

My name is Erin Marafioti, and I am currently a nursing major at Elmira College in Elmira, NY hoping to begin my nursing career in a Critical Care environment.

I am an engaged learner and have a strong work ethic. I am skilled with EPIC electronic documentation, Quadramed electronic documentation and performing patient care. I incorporate time management and clear communication into my life and prioritize these values in work environments.

My passions involve giving my patients the best care possible, in a safe and productive manor. Patient advocacy is a large priority of mine and will continue to be at the forefront of my career.

As you review my resume, you may notice positions in customer service, such as waitressing. Working as a waitress has given me a tool belt of time management skills in a busy environment, and strong communication skills to bring up customer satisfaction.

Thank you for your time. I look forward to hearing from you soon regarding this position.

Sincerely,

Erin Marfioti
