RE: Emergency Room Nurse Position

Dear Hiring Team,

My name is Evelyn Schoenberger, and I am currently a nursing major at Elmira College in Elmira, NY hoping to begin my nursing career in an Emergency Room environment.

I am an engaged learner and am skilled with phlebotomy specimen collection, EPIC electronic documentation, and performing patient care. I incorporate time management and clear communication into my life and prioritize these values in work environments.

My passions involve caring for others as shown with my volunteer work and patient care technician position with Guthrie Corning Hospital.

As you review my resume, you may notice many positions being held within New York State. I am relocating to Pittsboro, North Carolina in early June 2021. While managing the logistics of my move, I have continued to maintain a 3.46 cumulative GPA. Additionally, I have grown personally and professionally with prioritization, leadership opportunities and time management.

Thank you for your time. I look forward to hearing from you soon in regard to this position.

Sincerely,

Evelyn Schoenberger
