EXPERIENCE

Kumon, Illinois — Tutor

August 2014 - September 2018+

I tutored kids in an education program where I taught elementary to advanced high school level math and reading. I taught children from elementary to grade school. I can also manage the computer systems that organize the children's learning schedule, their grades, etc.

Ref #: (847)-757-4743 ; Mr. Packer

Sodexo, Seattle's Best Coffee — Barista/Cashier

November 2018 - September 2019

I worked at Sodexo's Coffee Shop on campus. I do various things; I make the drinks, run the cashier, pre-prepare the food that goes out. I stopped working there after the shop closed.

Tutoring Services, Carthage College — Tutor

September 2019 - Current

I tutored Psychology and all classes of math for my college's library department. I meet with students who specifically request help from the Tutoring Services Department.

NWSRA, Illinois — Internship

June 2019 - Current

Working as an inclusion aid, I accompanied kids with special needs to their summer camps, adjusting to their needs to make sure they feel included in their camps. It required an in depth knowledge of mental disabilities and the practicality of how to respond and adapt them.

SKILLS

Art—specifically painting, pencil and graphic design; familiar with Photoshop applications

Mathematical skills - proficient up to college level calculus and statistics

Computer skills - very adaptable to new and old programs

AWARDS

The Iowa and Midwest Scholastic Art & Writing Awards

I won a silver award for a piece of artwork I submitted as well as a scholarship for a pre-college program from the New Hampshire Institute for Art.
