- 1977-1980 Chase Enterprise: Secretary for the President of the Company. An accounting company that used IBM computers for technology.
- 1972-1978 MDI Inc.: Administrative and project related positions. This company was created as an entity of the organic farm on which I lived for five years. I worked on various projects in landscaping and building construction, as well as learning organic farming techniques. These were done on weekends and at night while working for outside entities.

Medical Experience

- 1972-1974 Chula Vista Memorial Hospital, Hillcrest Hospital: respiratory therapy technician
- 1971-1972 Colorado Springs Memorial Hospital: respiratory therapy technician trainee

Volunteer Experience

- 2021-2022 Atlanta Botanical Garden volunteer. Participated in garden projects, and social events throughout the year, as well as unique events related to Garden members.
- 2016 Peace Corps Mongolia Volunteered for 5 weeks in a Mongolian farming village.

- 2015 Georgia State Summer Program in the Department of Education—four-week observation of minority students from two inner city schools participating in a program focused on supporting their educational goals for college. I asked the Director of the Program if I could observe Georgia State’s methods for teaching students how to navigate through STEM requirements so they would be prepared to attend George state colleges. I had applied to the Peace Corps in 2015 to teach English in Africa and thought it would help me with teaching a foreign language (English).
- 2013-2015 Emory University Midtown Hospital volunteer (volunteered on cardiac ward, reorganized employee files for the Pharmacy, and helped coordinate post-cardiac operation tools given to patients after they left the hospital to help with their recoveries.
- 2011-2012 Global Village School in Decatur, Georgia for refugee girls. (taught English and basic hygiene, as well as helping the refugee girls navigate through High School entrance exams).

Publication

- 2003, 2023 Clinical Trials—mystery novel focused on eugenics, Social Darwinism and clinical trials.
