P. (518) 419-7110 | E. lhpatel@ualr.edu

GOALS

My goal is to achieve a graduate degree in Chemistry or a related science field like Biology and become an experimental Chemist/Scientist. My ideal job until I achieve my goal of getting a PhD in Chemistry/related science field is to be a Researcher/Research Assistant in various labs to build experience.

EDUCATION

Texas High School, Texarkana, Texas 75503
