December 2020 - January 2021

- Brainstormed and set up the framework for a new website showcasing the events, history, amenities and location of the Friends of William Sheridan Park setting up links to their Instagram

Student Representative & Liaison, **Allentown Environmental Advisory Council**

November

2020-Present

- Attend monthly Council meetings bringing my perspective as a student to present the board members with possible solutions, programs, and connections to other student groups to make Allentown more sustainable
- Reviewed the City of Allentown Greenhouse Gas Inventory Report and the Climate Action Report which included data collected for the city as well as sustainable projects that have been completed, are underway, considered, and not yet evaluated. I helped edit the report and
- Currently working to establish a social media presence and design a logo to represent the council and improve local awareness

**Muhlenberg Sustainability Committee**

- Attend weekly meetings regarding the specific initiatives that Muhlenberg wants to implement including being on a select “Earth Week Committee” working closely with all departments across campus

**President of the Muhlenberg Community Garden Club**

2019 - Present

Spring 2021, Appointed VP and Secretary

- Met with Dean of students to get the garden on the physical map and helped advocate for a replacement of garage shed and full inventory and organization
- Met with The head chef of the Muhlenberg dining hall to discuss restarting the hydroponic garden and composting options
- Created and defined our motto “Cultivating Community” and coordinated designs for two stickers
- Planned, organized, and Hosted a Fundraiser in the spring that raised \$112 to pay for further events

Fall 2020

- Weeded the garden in the fall, harvested a variety of vegetables and flowers, and prepared the garden for winter by spreading hay down and cutting plants back
- During the 2020 School year we weeded and tarped the garden and set up permanent garden beds. also coordinated with the Muhlenberg Football team to help us move soil
- Hosted a Pumpkin Painting Party for the entire school working with student organizations, leadership, and engagement

## **WORK EXPERIENCE**

**Residential Advisor**, Muhlenberg College, Allentown, PA

August 2020 -

Present

- Provide resources and fostering a community for all my residents on my floor, as well as other students on campus
- Mandated reporter, host one on ones, create hall events and be “on-call” about five nights per month from 10 pm-7 am for situations like lockouts and other issues

**Camp Counselor**, Camp Med-O-Lark, Washington, ME

Summer

2020-21

- Responsible for the safety and well-being of children at an overnight camp in Maine that tested everyone for Covid-19 before and during camp to create a bubble to have a camp
- Took lead and completely re-designing the culinary kitchen from a dingy white box to a lovely summer kitchen by cleaning, painting the walls a bright cheery yellow, and designing floral curtains complete with a decorative valance and ties. Taught culinary arts and embroidery and assisted with candle and soap making.
- Technical Theatre director for the summer of 2021

**Seegers Union Information Desk**, Muhlenberg College, Allentown, PA  
2021

Fall 2019 - Spring

- Greet people at the desk, answer, and direct calls, manage the lost and found, food and flower deliveries, billiards, and electronic equipment.
