EXPERIENCE

Institute for Childhood Preparedness (ICP), 620 G St SW, Washington, D.C. 20024 — *Intern*

November 6th, 2019 - April 2020

I began working for ICP in November and had the opportunity to travel to Puerto Rico for earthquake site assessments over winter term. Throughout spring semester, I was tasked with writing blog posts, running the master calendar, and conducting research with our data from Puerto Rico, on adverse childhood experiences (ACEs), go/no go tactics, Head Start impact, and beginning a new children's book, amongst other various miscellaneous tasks. I was paid for my work starting spring semester, while also receiving internship credit through Miami University.

CVS Pharmacy, 123 Spring St, Oxford, OH 45056 — *Registered Pharmacy Technician*

August 1st, 2020 - PRESENT

Supporting pharmacological services by assembling, stocking, and distributing medications; maintaining PHI and PII records per HIPAA guidance; responding to requests of patients and healthcare providers and corresponding between patients and the pharmacist; sorting, stocking, and labeling medications; processing scripts electronically and serving as an intermediary between doctors, patients, providers, and the pharmacist; immunizing in house and at clinics; and administering COVID-19 tests.

LTC COVAX Clinics, Southern Ohio Region — *Licensed Immunizer*

December 21st, 2020 - February 19th, 2021

Set up COVID-19 vaccine clinic data entry system and medical supplies station per CDC guidance; check in patients and file vaccine information via paper and electronically; answer inquiries about the COVID-19 vaccine; and work with Long Term Care facility staff and COVAX team to vaccinate residents and staff.

PROJECTS

Undergraduate Public Health Research — Student Lead

Fall Semester 2020-PRESENT

I am acting as the student lead on undergraduate research alongside Dr. Kendall Leser, the Director of the Public Health department, to formulate a conceptual framework of harm reduction approaches for college campuses amidst the COVID-19 pandemic.
