

Dear Alyssa,

We only recognize the best of the best, and we know how hard you have worked both inside and outside the classroom. Accordingly, the Oglethorpe University faculty has named you a University Scholar for the 2019-2020 academic year! Consider this our way of saying job well done, and we can't wait for you to continue achieving greatness as a member of our community.

The University Scholarship carries a four-year value of \$80,000 with \$20,000 distributed during the 2019-2020 academic year. The award is renewable each of your four years at OU.

To accept your award, just log-on to your Petrel Portal <<https://apply.oglethorpe.edu/status>> and tell us you want to be a part of our Oglethorpe community of scholars. Submit the enrollment response form along with a deposit of \$300 to confirm your place in the Class of 2023.

Oglethorpe is already considered a Top 20 "Best Buy" school according to Fiske Guide to Colleges, and we are committed to delivering a private, personalized education at an affordable price. So, please file the Free Application for Federal Student Aid (FAFSA) online at fafsa.ed.gov. Oglethorpe's FAFSA code is 001586. Just for filing, you'll receive at least \$1,000 and you may qualify for need-based financial aid.

Congratulations, Alyssa, you've earned it! I look forward to welcoming you to Oglethorpe University in the fall.

Sincerely,

Lucy Leusch
Vice President, Enrollment and Financial Aid
