

# Georgia Sue Wilson

Shenandoah University Third-Year Nursing Student with a Biology Minor

372 Valley Mill Rd.  
Winchester, Virginia 22602  
(571) 921 0153  
gwilson162@su.edu

## SUMMARY

Enthusiastic and knowledgeable third-year nursing student wishing to take my career step to further immerse myself into my education and passion of the hospital environment and patient care. Skilled in quickly building rapport with patients while assisting in activities of daily living. Highly compassionate and patient with others. Proven to excel at various sales approaches and techniques which establish trusting relationships, productive communications and long-term partnerships.
