Dear Flavio,

Congratulations! I am delighted to inform you that you have been selected as a recipient of one of the Schwob School of Music's prestigious **Woodruff Awards**. This award fully funds four years of study at Columbus State University, as detailed below, and includes a stipend above and beyond expenses.

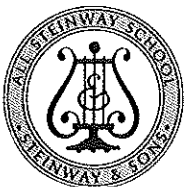

Based on your TOEFL score, you will begin studies at the English Language Institute here at CSU, in addition to your studies and participation in Schwob ensembles, private lessons, and percussion studio activities.

The **Woodruff Award** pays all tuition, fees, residence hall charges, meals and health insurance for a total of four years. You will also be given an annual stipend of \$5,000.00 towards any personal or expenses associated with musical development.

Every year the **Woodruff Award** competition draws applicants from around the world and this year we are pleased to add your name to the distinguished list of winners. Once again, I offer my heartiest congratulations on being among the very select group of Schwob students to receive a coveted **Woodruff Award**!
