

William Wildman

HIGHER EDUCATION PROFESSIONAL
M.A. CANDIDATE, UNIVERSITY OF MISSISSIPPI

professional experience

ASSISTANT DIRECTOR OF ADMISSION

Tulane University School of Architecture | 2019 - Present

Works closely with the Dean, Associate Dean, Program Directors, and Tulane Undergraduate Admissions and is responsible for planning, implementing, and analyzing undergraduate and graduate admissions processes for the School (3-4 undergraduate programs, 4 graduate programs). Responsible for overseeing the recruitment process for all prospective students in the School, which involves ensuring all aspects of the admissions process are operating smoothly, troubleshooting as necessary, and creating, maintaining, and tracking contacts with prospective students from initial inquiry to the completion of the application process.

ADMISSIONS COUNSELOR

University of Mississippi | 2018 - 2019

Assisted in the planning and implementation of recruitment strategies including social media, websites, and content. Represented the University at various recruitment events to interpret admissions requirements, provide financial information and guidelines, and give information regarding courses of study and other facets of the University to prospective students, both traditional and non-traditional, and to families and school counselors and other officials.

CREATIVE DEVELOPMENT STRATEGIST

Apple, Inc. | 2017-2018

Worked each week with our creative teams to facilitate communication both internally and externally with similar companies to collaborate on our efforts to produce engaging content for our customers. Served on the market expansion team tasked with coordinating and facilitating expansion and exposure of our programs within our specific market.

Creative Writing Minor

Final GPA: 3.40

personal profile

I am a higher education professional and M.A. candidate currently working in student affairs at Tulane University. My current research focuses on young, first-generation alumni and the ways in which their involvement in campus life beyond graduation leads to increases in first-generation student enrollment. Let's talk more about it!
