WORK EXPERIENCE

White Sox Summer Camp Coach (2 summers)

Chicago White Sox - Lisle, IL
June 2018 to July 2019

Create a practice plan for kids from ages 5-10 on different aspects of baseball. These aspects were hitting, infield, outfield, catching the ball, throwing/pitching, and base running. Depending on the camp, I would be the coach for a specific part of the game. One week I would be teaching outfield and the next week I could have been teaching hitting.

Diamond Skills Academy - Summer Coach

Diamond Skills Academy - Yorkville, IL
June 2018 to June 2019

Help coach different styles of camp for kids ranging from the ages 5-12 years old. Taught base running, catching, outfield, hitting, and "Baseball IQ," to kids during scrimmage games. In order to teach the kids the Baseball IQ I would be on the field with them and talk with them as they are playing to teach them what to think for any situation that comes up.
