Bujumbura, 25710

Dear Chris Marie,

CONGRATULATIONS on your outstanding academic performance during the past semester. Your grade point average qualifies you for the DEAN'S LIST.

I applaud your hard work and will celebrate your accomplishment by publicly sharing the College of Arts & Sciences Dean's List. Your name will appear on the list displayed in my office (Shilling 209) and just outside my office in the hallway. I hope you get a chance to point it out to your family and friends if they visit Millikin.

I will also send a press release to your home town newspaper, celebrating this honor. This public proclamation acknowledges your hard work and announces our confidence in your future development and success.

We know that students who excel do so because of personal commitment and are thus rewarded through a personal sense of accomplishment. I hope you are aware that the faculty, administrators, and staff are proud of your accomplishment as well.

Once again, congratulations and good luck in future endeavors.

Sincerely,

Randy Brooks, Ph.D.
Dean
College of Arts and Sciences
